Greenfield Realty - Lead Management and Site Visit Process

Internal note for the Greenfield Heights sales team

1. Overview

This note describes how our sales team handles buyer leads for the Greenfield Heights project, from the first enquiry to booking.

2. Lead intake

Leads arrive from the website form, Housing.com and walk-ins at the site office. Website and portal leads are created in the CRM automatically. The front desk logs every walk-in lead in the CRM on the same day. The CRM then assigns each lead to a Sales Executive (SE) on a round-robin basis.

3. First contact

The assigned SE must call the lead within 30 minutes during working hours (10 AM to 7 PM). Leads that come in after hours are called by 11 AM the next day.

If the lead does not answer, the SE tries twice more on the same day, at least 2 hours apart, and sends the brochure on WhatsApp. After 3 failed attempts the lead is marked Unreachable and moved to the nurture list. The Team Lead goes through the nurture list every Monday.

4. Qualification

During the first call the SE notes the budget, the preferred unit size (2 BHK or 3 BHK) and the purchase timeline. A lead is Qualified if the budget is at least Rs. 60 lakh and the client plans to buy within 6 months. Everyone else stays in Nurture.

5. Site visit

For qualified leads the SE books a site visit within 3 days. If the client asks for a pickup, the Site Coordinator arranges the cab. The SE sends a confirmation on WhatsApp 24 hours before the visit and a reminder 2 hours before.

If the client misses the visit, the SE reschedules once. If they miss it again, the lead goes back to Nurture. After a visit, feedback is entered in the CRM the same day.

6. Pricing and discounts

The SE shares the cost sheet by email within 24 hours of the visit. Discount approval works like this:

- Up to 2%: the SE can offer it directly.
- Above 2% and up to 5%: needs the Sales Manager's approval.
- Above 5%: needs the Business Head's approval.

7. Booking

When the client agrees to book, the SE collects the token amount of Rs. 1 lakh and the KYC documents (PAN, Aadhaar and address proof). The Finance team verifies the payment and issues the receipt within 1 working day. Once the receipt is issued, the CRM status is changed to Booked. The Legal team prepares the Agreement for Sale within 7 days of booking.

8. Follow-up and lost leads

Leads who visited but have not booked are followed up by the SE every 3 days for 2 weeks, and then once a week until day 60. If there is no progress after 60 days, the lead is marked Lost and the reason is recorded.

9. When things go wrong

If the KYC documents are incomplete, the booking cannot go ahead. The SE gives the client 5 days to submit them.

If a payment fails or bounces, Finance informs the SE immediately and the SE contacts the client.
